

Liberal Arts: Behavioral Health Certificate

DIVISION OF BUSINESS & PROFESSIONAL STUDIES

The Behavioral Health certificate program is designed to meet the needs of individuals looking to enter the behavioral health field, upgrade current skills and further their studies in behavioral health. Upon graduation, students are prepared to work in a variety of state or local government agencies, residential care, rehabilitation, personal care facilities, or clinics.

Upon successful completion, a Certificate in Liberal Arts with a concentration in Behavioral Health is awarded.

PROGRAM REQUIREMENTS

CORI (Criminal Offender Record Information) and SORI (Sexual Offender Registry Information) background checks are required prior to practicum placement and will be conducted by the practicum location in accordance with state regulations. CORI and SORI results are confidential.
