**MassBay Community College** is the most affordable higher education option in MetroWest Boston and is free to most Massachusetts residents without a bachelor's degree. With more than 70 associate degree and certificate programs, along with comprehensive workforce and educational training, MassBay provides a wide range of courses with flexible day, evening, and weekend classes in Wellesley, Framingham, the Automotive Technology Center in Ashland, and online, in high-demand fields including health and life sciences, computer science, engineering, cybersecurity, business, and the humanities. MassBay students receive unparalleled value, with free one-on-one academic and social support services, compassionate and experienced faculty, and stackable credits that easily transfer to bachelor's degree programs and that provide hands-on, workforce-ready skills. Health sciences, human services, early childhood education, and many general education programs are offered at the 65,000 square foot, state-of-the-art MassBay Framingham, which has served the community since January 2024. Founded in 1961, MassBay has been accredited by multiple governing bodies and remains dedicated to serving its diverse communities, fostering inclusiveness, and advancing equity for all.
